TENNIS VALUES FOR CHILDREN:

From the Direction of M.E.T., Murcia Tennis School at the Real Sociedad Club de Campo de Murcia, we seek to improve their level of play, their competitiveness and teach them to know how to win, as well as how to manage defeat. We mainly want to instill the values of effort, cooperation and respect. We want them to enjoy the recreational aspect of the sport and to be able to do so throughout their lives, beyond their time at the Tennis Academy.

RELATIONSHIP WITH THE ROYAL SOCIETY OF THE MURCIA COUNTRY CLUB:

One of our main objectives is to make our students feel that they are an important part of our Club, that they experience it from all its aspects, that they interrelate with other students, that they enjoy themselves and have fun.

TIMETABLES AND DAYS OF CLASSES BY LEVELS:

For all levels, we have designed programs of up to 3 and 4 days per week, with the possibility of combining the days as desired in the general and superior categories, regardless of the days selected. The days of the classes will be defined at the time of registration at the choice of the students.

The ages indicated are indicative and will be the monitors, in coordination with the Direction of the School of Tennis, which will propose the passage of level to students.

The Management of the Tennis School reserves the right to change or modify TIMETABLE, dates and training venues published, according to needs.
